Title:

UNKNOWN SUBJECT;
SENATOR EDWARD M. KENNEDY
ETHEL KENNEDY
ADLAI STEVENSON - VICTIMS

Character:

EXTORTION

Synopsis:

Five letters containing threats against life of U. S. Senator EDWARD M. KENNEDY of Mass. received through mail in June, 1968. Three were addressed to Senator KENNEDY, Washington, D.C.; one to his sister-in-law ETHEL at McLean, Virginia; and one to ADLAI STEVENSON, State Treasurer of Illinois, Springfield, Illinois. Examination by FBI Laboratory reflects four of above letters, all of which were postmarked, Boston, were written by same person. Latent prints developed from two of the letters. AUSA, Boston, advised that in his opinion the wording in Letter No. 1 contained a threat which would constitute a violation of the Federal Extortion Statute.

DETAILS:

Investigation in this matter is based on the receipt of five letters, the details of which are set forth as follows:

BS 9-1948

Letter No. 1

By communication dated July 10, 1968, the Washington Field Office advised as follows:

On July 2, 1968, the United States Secret Service, Washington, D. C., made available an anonymous letter which had been sent to the office of Senator EDWARD M. KENNEDY. The anonymous letter reads as follows:

"Your suffering has hardly begun. Teddy is next on the Kennedy 'hit parade.' And we won't rest til he gets his.

"We are sick of the Kennedy's and all the damn Kennedy crap.

"You stole from the church when you managed its affairs then you bought the church in the person of Richard Cardinal Hypocrite.

"You were an unethical business robber and crook. You had a movie actress mistress. Your 'devoted' wife stayed home only long enough to get pregnant. With your stolen money she tried to buy respectability but she is still shanty dirty Irish.

"You thought you could buy the presidency - and did once. America doesn't like or want dynasties. Jack had to die. Bobby had to die. Teddy has to die.

"We hope you live long enough to see total destruction of the Kennedy's and to suffer again and again before you die and go to Hell for all eternity.

On July 2, 1968, the following agencies were advised of the receipt of the anonymous letter at the office of Senator EDWARD M. KENNEDY:

BS 9-1948

NOTE CONTINUED:

The pay-off in this case was scheduled for June 20, 1968, however, this letter was received by the Kennedy family during the period immediately following the murder of Robert F. Kennedy. It has been observed in other cases that a huge volume of mail was received by the Kennedy's at that time and it became back logged. Secret Service also points out this delay.

Mr. Kennedy:

I'm most certain of your knowledge of the anti-Kennedy spree swelling the nation, to which my information will prove interesting indeed.

I represent a left-wing organization which receives bids from Cosa Nostra, Longshoremen's and Teamsters unions respectively to eliminate those detrimental political figureheads. Teamster's president Jimmy Hoffa and Frank Fitzsimmons were unpleasantly disclosed before the Senate Labor Rackets Committee by the counsel directed by Robert Kennedy. A bid authorized by union directors of Council 12 B.S.E.I.U. Of Greater New York and Teamster union officials was brought before our New York Delegatoin to discontinue his political progress. If the senator had lost the race in California, his elimination from the contingency would have been certain. However, he won and had to be stopped.

Presently, a Bostonian financing corporation wishes to eliminate Sen. Edward M. Kennedy from active contingency so that they may post a prospective candidate. A bid has been received for five hundred thousand dollars which is now under deep consideration by our syndicate. The only method of saving your son is by outbidding the proposed deal. We would like one million dollars which will serve as retroactive cash and will outbid the previous attempt. The money should be placed in a modern briefcase and placed behind a telephone pole accross the road from the newly-built home on Pleasant Hill Road in Orange, Connecticut. Our corporation will expect the currency by noon of Thursday, June 20. A guard will be posted to assure of no foul play. The money will most preferably be accepted in fifty dollar bills. Certainly a man with one son left cannot risk or foolishly gamble his life.

Faithfully yours

- Q2 Accompanying typewritten letter beginning "I'm most certain of your knowledge of. . ." and ending ". . . or foolishly gamble his life."

Result of examination:

The typewriting on Q2 measures 254 millimeters per 100 letters. This typewriting most closely resembles the standard for Halda/Facit and Antares styles of type. Typewriters using Halda/Facit style of type are manufactured in Sweden and typewriters using Antares style of type are manufactured in Italy.

The typewriting on Q2 and the writing on Q1 were compared with the appropriate sections of the Anonymous Letter File without effecting an identification. Copies are being added thereto.

The postmark on envelope Q1 is partially obliterated. This postmark appears to be "ORANGE, CT.; JUN 18 PM; 1968; 06477,"

No indented writing was found on Q1 and Q2.

No watermark was found in Q1. Q2 contains the watermark "Hamilton Mimeo" and a triangle design. The watermark "Hamilton Mimeo" is registered for Weyerhaeuser Company Paper Division, Fitchburg, Massachusetts.

Mr. Kennedy:

I'm most certain of your knowledge of the anti-Kennedy spree swelling the nation, to which my information will prove interesting indeed.

I represent a left-wing organization which receives bids from Cosa Nostra, Longshoremen's and Teamsters unions respectively to eliminate those detrimental political figureheads. Teamster's president Jimmy Hoffa and Frank Fitzsimmons were unpleasantly disclosed before the Senate Labor Rackets Committee by the counsel directed by Robert Kennedy. A bid authorized by union directors of Council 12 B.S.E.I.U. Of Greater New York and Teamster union officials was brought before our New York Delegation to discontinue his political progress. If the senator had lost the race in California, his elimination from the contingency would have been certain. However, he won and had to be stopped.

Presently, a Bostonian financing corporation wishes to eliminate Sen. Edward M. Kennedy from active contingency so that they may post a prospective candidate. A bid has been received for five hundred thousand dollars which is now under deep consideration by our syndicate. The only method of saving your son is by outbidding the proposed deal. We would like one million dollars which will serve as retroactive cash and will outbid the previous attempt. The money should be placed in a modern briefcase and placed behind a telephone pole across the road from the newly-built home on Pleasant Hill Road in Orange, Connecticut. Our corporation will expect the currency by noon of Thursday, June 20. A guard will be posted to assure of no foul play. The money will most preferably be accepted in fifty dollar bills. Certainly a man with one son left cannot risk or foolishly gamble his life.

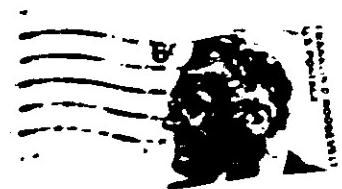

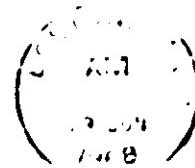

Faithfully yours

NOTE - FBI LABORATORY:

FBI Laboratory will conduct appropriate handwriting examination on letter addressed to Joseph P. Kennedy. FBI Laboratory will attempt to determine location where letter was mailed from the postmark appearing on the envelope noting that it is partially obliterated. Furnish Boston with results.

NOTE:

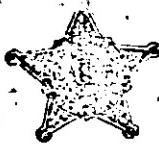

By letter dated 9/12/68, Secret Service forwarded a letter postmarked in June, 1968, addressed to Joseph P. Kennedy, Hyannisport, Massachusetts. Letter contains a threat to do bodily harm and demand for \$1,000,000. Secret Service set forth no reason for the delay but noted that the letter was received 9/6/68 at the Office of Senator Edward Kennedy, Washington, D. C.

and 9-30-68

NOTE CONTINUED:

The pay-off in this case was scheduled for June 20, 1968, however, this letter was received by the Kennedy family during the period immediately following the murder of Robert F. Kennedy. It has been observed in other cases that a huge volume of mail was received by the Kennedy's at that time and it became back logged. Secret Service also points out this delay.

Date: September 25, 1968

Re: UNKNOWN SUBJECT, aka
MERILLI SYNDICATE;
JOSEPH P. KENNEDY - VICTIM;
EDWARD M. KENNEDY - VICTIM;
EXTORTION

FBI File No. 9-48276

Lab. No. D-680918069 AT

Specimens received 9/18/68

- Q1 Envelope bearing hand printed address "Joseph P. Kennedy Hyannis Port, Mass (Kennedy Compound)" and the return address "Merilli Syndicate South Park Av. (Labor Councils of America)"
- Q2 Accompanying typewritten letter beginning "I'm most certain of your knowledge of. . ." and ending ". . . or foolishly gamble his life."

Result of examination:

The typewriting on Q2 measures 254 millimeters per 100 letters. This typewriting most closely resembles the standard for Halda/Facit and Antares styles of type. Typewriters using Halda/Facit style of type are manufactured in Sweden and typewriters using Antares style of type are manufactured in Italy

The typewriting on Q2 and the writing on Q1 were compared with the appropriate sections of the Anonymous Letter File without effecting an identification. Copies are being added thereto.

The postmark on envelope Q1 is partially obliterated. This postmark appears to be "ORANGE, CT.; JUN 18 PM; 1968; 06477,"

No indented writing was found on Q1 and Q2.

No watermark was found in Q1. Q2 contains the watermark "Hamilton Mimeo" and a triangle design. The watermark "Hamilton Mimeo" is registered for Weyerhaeuser Company Paper Division, Fitchburg, Massachusetts.

b

A six-cent postage stamp and a 30-cent U.S. Special Delivery stamp, both of which came from sheets of stamps, are attached to Q1.

Specimens Q1 and Q2 are being retained at the Bureau.

Assistant United States Attorney JOSEPH A. LENA, Boston, Massachusetts, advised on October 3, 1968, that the contents of the letter constituted a violation of the Federal Extortion Statute and he would prosecute if the unknown subject could be identified.

Boston indices and appropriate directories contain no information identifiable with Merilli Syndicate, Merilli Association, F. MERILLI, Labor Counsels of America, Labor Counsel 12, or B.S.E.I.U.

The staff of Senator EDWARD M. KENNEDY's Office, Boston, Massachusetts, advised on October 3, 1968, that the above names were unknown to them.

(b)(7)(C) [REDACTED] The following investigation was conducted by SA at New York, New York:

On November 6, 1968, a review of New York Office indices and New York Telephone Company directories for the boroughs of Manhattan, Bronx, Brooklyn, Queens and Staten Island, was negative under the names Merilli Syndicate, Merilli Association, F. MERILLI, Labor Counsels of America, Labor Councils of America, Labor Counsel 12 and Labor Council 12. Indices contained two non-pertinent references to Building Service Employees International Union (BSEIU), and the above-listed telephone directories contained numerous listings for various BSEIU locals. It is noted that there was no Local 12 or Council 12 listed for BSEIU.

NH 9-722

(b)(7)(C)

The following investigation was conducted by SA [REDACTED]
in New Haven, Connecticut.

On November 18, 1968, the New Haven city directories and directories of surrounding towns were reviewed with no identifiable information located for Merilli Syndicate, Merilli Association, F. Merilli, Labor Counsels of America, Labor Counsel 12 or B.S.E.I.U.

(b)(7)(C)

On November 22, 1968, [REDACTED] Secret Service, New Haven, advised that their office had conducted no investigation in this matter as they were unaware of the extortion letter. Their office had not been advised of the threat or of the payoff that was to have taken place in Orange, Connecticut.

On November 22, 1968, a city directory was reviewed to determine if a Pleasant Hill Road was located in Orange, Connecticut. The directory revealed that a Pleasant View Road was located in Orange but no Pleasant Hill Road. A Pleasant Hill Road was located in Woodbridge, Connecticut which is approximately three quarters of a mile long, and one mile from the town line of Orange. This road was driven on November 22, 1968, and the exact house mentioned in the extortion letter could not be located. Although this is a new residential area, no homes appear to be recently built. No mail boxes on this road revealed any name resembling that of Merilli.

On December 6, 1968, the Pleasant View Road in Orange, Connecticut, was driven and it revealed the road sign Pleasant Hill Road rather than Pleasant View Road. This road, which is approximately one mile long, is also located in a new residential area however no homes appear to be recently built and exact location mentioned in extortion letter could not be determined. No names on mail boxes resembled the name of Merilli.

BS 9-1969

(b)(7)(c)

On December 9, 1968, [REDACTED] Office of U. S. Senator EDWARD M. KENNEDY, Boston, Massachusetts, advised that no additional correspondence similar to instant communication had come to the attention of her office.

On December 13, 1968, [REDACTED] Barnstable Police Department, Hyannis, Massachusetts, was advised of instant matter.

In view of the fact that all logical investigative leads in this matter have been covered, this case is being closed on the authority of the Special Agent in Charge.
